

# Lena

Based in the heart of Shoreditch, Lena evokes traditional Italian concepts, executed in the unique style of the area.

The true Italian values of passion, pride and family are at the core of Lena and reflected in the welcome, service and most importantly, the food. Lena believes that we do not simply eat to live but that we live to eat, and part of the pleasure is sharing our love and dedication to enjoying excellent food in good company with others.

Lena offers a menu that changes to reflect the best of the season's offerings, sustainably sourced from Italy and local producers to create timeless dishes with a contemporary twist.

The ambition to share the food that Lena has loved, cooked and eaten with her family over the years is now realised.
